

REQUIREMENT FOR RECORDED MAP

The annexation/detachment map which will be recorded in the Kings County Licensed Surveyors Plats must conform to the following provisions:

1. Every map must clearly indicate all existing streets, roads and highways within and adjacent to the subject territory, together with the current names of these thoroughfares.
2. Every map shall bear a scale and a north point.
3. The point of beginning of the legal description must be shown on the map. The boundaries of the subject territory must be distinctively shown on the map without obliterating any essential geographic or political features.
4. The map shall be legibly drawn, printed or reproduced by a process guaranteeing a permanent record in black on tracing cloth or polyester base film. If ink is used on polyester base film, the ink surface shall be coated with a suitable substance to assure permanent legibility.
5. The size of each sheet shall be 18 by 26 inches. A marginal line shall be drawn completely around each sheet, leaving an entirely blank margin of 1 inch. The scale of the map shall be large enough to show all details clearly and enough sheets shall be used to accomplish this end. The particular number of the sheet and the total number of sheets comprising the map shall be stated on each of the sheets, and its relation to each adjoining sheet shall be clearly shown.
